STITCHES FROM THE HEART IS SUCCESSFUL BECAUSE OF YOU!

Over the last 15 years, *Stitches from the Heart* has received over 825,000 donations in the form of baby hats, blankets, sweaters, quilts and booties. We appreciate all you do! The love you have created in these beautiful baby items for *SFTH* is being spread all over the county, wrapping babies and their families in your sweet warmth and comfort. **“THANK YOU”** does not come close to conveying the gratitude and deep appreciation we all feel for the generosity of your time and talent. You are truly making the world a better place – one stitch at a time!

Please help our volunteers who sort and pack the boxes to the hospitals by attaching the *“Made with Loving Care”* tags, filling out this information sheet and placing it inside your items being sent. If you would like to receive an email, let us know by checking the box below.

Thank you again for your time, love and donation. ~ *Stitches from the Heart*
